

St. Patrick's Bucolic Frolic, Dublin and Comanche, Saturday, March 17, 8:00am

We will have a full day of activity on St. Patrick's Day. Fittingly, our first destination will be Dublin, where we will visit the oldest Dr. Pepper bottling plant in the world. We will tour the Dr. Pepper museum (they have a new 2000-foot addition to the museum). After our Dublin visit, we will make our way to Comanche. Lunch will be at Star Beau's (choose your meal from the regular menu, separate checks, BYOB), just across from Old Cora, the little log structure which served as county courthouse when the city of Comanche was the county seat. After lunch, we will do some wine-tasting at the beautiful Brennan Vineyards, and have an opportunity to purchase some of their great wines. Our final destination will be the Comanche County Historical Museum, which features Native American and pioneer artifacts, plus exhibits depicting life from the Wild West to the early 20th century, housed in a replica of a frontier store. We will proceed directly to Comanche if the Dr. Pepper legal issues do not permit a tour of the old bottling plant. Please register as soon as possible so we can provide a good headcount to our venues.

When: Saturday, March 17, 8:00am.

Meeting Place: At 8:00am (come earlier if you wish to have breakfast), we will meet for a briefing at the Cracker Barrel at 8010 SW Loop 820, Fort Worth (I-20 and Winscott Road, west of Fort Worth), (817) 249-3360 (see map below). We will depart immediately after the briefing.

Signup and Fees:

We will charge an event fee of \$10 per person for each MBCA member and their immediate family members. Non-members are welcome, and will be charged \$15 each. The event fee will cover admission to the Dr. Pepper museum, and the wine-tasting fee at the Brennan Vineyards. Pay for your own lunch at Star Beau's, and don't forget to BYOB if you wish to enjoy your favorite beverage with your meal. The Comanche museum has no admission fee, but please be prepared to give a donation to help offset its operating costs.

Prior Event Report - Food 'n' Fun Road Trip to Zur Autobahn, Bosque County, TX, November 12, 2011

Some Fall color enhanced our drive.

We had the little restaurant all to ourselves.

It was a warm and windy Fall day, and 25 members in 13 cars enjoyed a country drive to Zur Autobahn, an authentic German restaurant which sits on a Bosque County valley in the middle of nowhere. This quaint restaurant was established by Kornelia and Dieter Sedlmaier several years ago, and features Hessian cooking in a Teutonic setting. The unique building was built by Herr Sedlmaier himself from the foundation up - with German doors and windows installed. The furnishings and decor complete the effect of a neighborhood café, which can be found in a typical German village.

We met at the Cracker Barrel near Benbrook to form our convoy, and we proceeded on a great drive on country roads. While it was still warm, Fall has definitely arrived in North Texas. We traveled on a scenic, mostly twisty and hilly route through the North Texas Hill Country. The leaves were starting to turn, and our route was marked with splotches of Fall color as we made our way southwest from Fort Worth.

Club members filled the small restaurant, which we had all to ourselves. We had a nice lunch of Wiener Schnitzel or Bratwurst, with red cabbage, sauerkraut, potato salad and/or fried potatoes, plus dessert. Most of us brought our favorite libation to accompany our meal, with some taking advantage of a rest stop along the way to purchase some wine. After lunch, we played a numbers game of "How Low Can You Go?", which some attendees opined can only be conceived during a Happy Hour planning session. Each member was given a small entry blank, and the object of the game was to write down the lowest number which no one else came up with. The entries with the 3 lowest numbers win, and the winners get nice prizes.

The winners chose from a set of prizes. They were:

First: Bert Graham - His & Hers Mercedes-Benz hoodies.

Second: West Mims - Mercedes-Benz pen and 2 GB flash drive combo.

Third: Karen Schrepel - Mercedes-Benz LED flashlight.

Prior Event Report - Holiday Celebration at the Colonial Country Club, December 10, 2011

Take it faster, now.

Audience in rapt attention.

Our 2011 Holiday Celebration was held at the famous Colonial Country Club in Fort Worth. Once again, we thank MBCA member Gerry Goodman, who arranged for us to use this great venue.

Arriving members were welcomed with an hors d'oeuvres reception. During the reception, a musical slideshow comprising hundreds of pictures from Fort Worth's 2011 event season was shown on a strategically-located widescreen TV for everyone to see.

After the reception, we welcomed attending members and guests, thanked them for their participation and support throughout the year, and outlined the evening's program. We then sat down to a fine 3-course dinner, which featured a duet of tenderloin filet and sea bass as the main course. The food was prepared just right, and our group of 60 was served very well by an efficient and prepared Colonial staff. The entertainment portion of the evening began after dinner, with Jim Hannon as the emcee. The great Leo BotchedKey (Larry Vaughn) accompanied all performers with his deft guitar-playing. First up was Mercedes Demille (Cecile de Jesus), granddaughter of Cecile B. Demille, with a fine rendition of *Have Yourself a Very Merry Christmas*. Next was the talented and beautiful Cleopatra (DJ de Jesus), who sang the sultry classic *Santa Baby* as only she can. For our finale, several young ladies from the audience (Park Place's Amanda Brown and Brittney Torres, Mika Tirschler and Susan Tsang) volunteered to form our percussion section, *The Frogs*. Even our massive budget is not without limit. *The Frogs* accompanied the incomparable Leo BotchedKey and Cleopatra as they performed *Jingle Bells*.

It was now time for members to try their hand at winning some prizes. Each attendee was given a game form with 9 usable letters of the alphabet in a box. The objective was to form as many words with as many letters from the box as they can. We can never leave well enough alone, so as usual there were some special rules (minimum of 4 letters in a word, no proper names, words ending with the letter 's' were not allowed, a letter cannot be used twice in the same word, etc.). Each letter from each legal word written on the form counted for a point - players with the most points win. When the Fog of Confusion cleared, 3 winners emerged:

First Place: Susan Tsang - His & Hers MBCA watches by Guess;

Second Place: Debbie Lowke - a Mercedes-Benz throw blanket, donated by Park Place Fort Worth;

Third Place: Angela Kesling - Mercedes-Benz stemless wine glasses, won by virtue of a tiebreak with Buzz Bartlett (OK, so there remained a few wisps from the Fog of Confusion).

The rest of the evening was spent on the dance floor to the beat of great music selections played by our DJs, Wen & Lily Grijo. Each attendee took home a beautiful black lacquer Mercedes-Benz pen as a memento of the event.

Leo BotchedKey, Cleopatra, and *The Frogs* perform.

Ok, now take it slower.

Mercedes Demille sings for us.

First place winner - Susan Tsang.

Second - Debbie Lowke.

Third - Angela Kesling.

Prior Event Report - Winter Getaway to Clifton, January 7, 2012

Member cars at the Bosque Museum.

Our 20-car convoy made its way on scenic, mostly twisty and hilly roads through the North Texas Hill Country en route to Clifton, the Norwegian Capital of Texas. We enjoyed lunch at Johnny's Place, a local hangout which served a hearty Chicken-Fried Steak plus other country cooking selections. The staff was terrific, and the price was certainly right.

After lunch, we visited the Clifton Classic Chassis, a private museum which houses 25 restored and original classic automobiles. Dr. Terry Watson of Clifton and Dallas, owner of the museum, served as our tour director, and explained to us the unique features and history of each car, and how he found and came to own them. The cars on display included a '60 Corvette Convertible, a '40 Buick Eight Sedan, a '55 Thunderbird Convertible, and classic Cadillacs, Pontiacs, and Lincolns from the Fifties and the Sixties.

Texas hospitality is a very fine thing.

After our visit to the car museum, we proceeded to the Bosque Museum to see historic and prehistoric exhibits of Indian, Norwegian, Civil War, and other artifacts which trace the history of Bosque County. Dr. George Larson, museum director, gave us a superb guided tour of the museum. The highlight of the tour was a replica of the Paleo-American site found in Bosque County, known as the Horn Shelter. The exhibit portrays the burial of a man and small girl as it took place 11,200 years ago. Dr. Larson explained that it is suspected that the so-called Horn Shelter Man does not fit any of the known human ethnic groups in existence today, nor at that time. Tests are being conducted by the Smithsonian to prove or disprove this theory.

After our Bosque Museum tour, we visited Clifton's quaint and revitalized Downtown for some antique shopping, or to chill at the local coffee shop, before heading home. We concluded that there is much more to Clifton than can be seen in one day. We will make plans to visit this quaint city again soon.

The stark winter landscape along our route.

Attendees listen as agenda is discussed.

Replica of the Horn Shelter burial site.

'55 Thunderbird at the Clifton Classic Chassis.

A clear favorite - a preserved Buick Eight.

'60 Corvette of Route 66 TV-series fame.
