

## Pre-Valentine's Dinner at Sardine's, Saturday, February 11

*Sardine's Ristorante Italiano*

*Welcome*

*Great Italian Food, Jazz Music & Memories  
Fort Worth, Texas*

Our pre-Valentine's dinner was held at this long-time Fort Worth hangout. Sardine's has been a Fort Worth fixture for many years at Camp Bowie Boulevard. It was moved to its current location at University Drive

after the property it stood on was purchased, to be used as a parking lot. Sadly, a petition to keep Sardine's at its original location failed.

Sardine's has always been known for good food at reasonable prices coupled with great jazz played by excellent hometown musicians. The owners worked very hard to keep the ambiance and personality that the original restaurant was known for despite its move. It is currently listed in the Zagat guide for Italian restaurants in our area.

Eighteen members attended and appeared to have a very good time. The jazz was great and the evening was graced with good food, good wine, good conversation and good company. Not wanting the evening to end just yet, many participants made their way to Cecile and DJ de Jesus' home for a little impromptu party which extended the evening.

A pictorial is posted below. Please enjoy.
