

**Visit the Norman Rockwell Museum
in Stockbridge, Massachusetts
with Wachusett Old Car Club, Old Car
Club and Others**

April 11, 2010

Norman Rockwell Museum houses the world's largest and most significant collection of original Rockwell art. Highlights include enduring favorites from Rockwell's Saturday Evening Post covers, the powerful *Four Freedoms*, and the nostalgic *Stockbridge Main Street at Christmas*.

We will caravan as group out to the museum through the back roads of the Berkshires. Along the route you will have some challenges to keep you alert. The group in the car which gets the most challenges right will receive a prize. We will be starting from the Spencer Fair Plaza by the Dunkin Donuts sign. The plaza is west of the center of Spencer on route 9. Meet at 8:30AM for a departure at 9:00AM sharp. It is about a 3 hour ride. We will be stopping in Stockbridge for lunch at Michael's and then proceeding onto the museum. The tour will at 2PM. Plan to get to the museum by 1:40 for group ticket purchases.

Rain or Shine event.
