

# Summerfest II Presented by Wagner Mercedes-Benz

by Ronald Beaton

On Saturday, June 20, the MBCA MinuteMan section enjoyed it's second annual outing at Lake Chargoggagoggmanchaugogggchabunagungamaugg in Webster, Mass. The original Indian name is believed to mean, "You fish on your side of the lake, I'll fish on my side of the lake and no one fishes in the middle." This may be apocryphal. The event was well organized by MM president John Piekarczyk.

47 members and friends attended the event which included a boat ride around Webster Lake, horseshoe competition, adult and soft beverages, grilled dogs and burgers with salad, beans, corn on the cob, potato salad and cookies and brownies for dessert along with light laughter and friendship. The weather cooperated with frequent bursts of sunshine.

The fun started at 11AM and continued 'til 5. At the end of the day, some of us realizing we were within a mile of the Piekarczyks' home, dropped by for a final thank you and a cold one.
