

CONCOURS D'MUSIQUE

On October 14, 60 members of the Minuteman Section gathered at M. Steinert & Sons in Natick, Ma. For Concours D'Musique .

This was a combination People's Choice Car Show and Piano Concert played on Steinway Piano's. As most of you know Steinway built Mercedes Benz Automobiles under license at their factory on Long Island in the early 20th century. With pianist's, some as young as 6 years old, playing in the back round, members enjoyed a Champagne Brunch provided by, M. Steinert hostess and Minuteman Section member, Elizabeth Taylor.

With perfect fall weather, twenty-five Mercedes Benz entered the show, ranging in age from a 1958 190SI to a 2008 CL600 we had a lot of history at this event. We had a chance to examine and admire the quality of the cars and the piano's; it's no wonder they formed a partnership. Two great Marque's together again!

I would like to congratulate People's Choice winners, Bill Union, Luis Hornos, Elizabeth Taylor and David Regan

Thank you to Elizabeth and M. Steinert & Sons for a great event.

John S Piekarczyk
President Minuteman Section
