

October Tire Kicker – 12 noon October 18

Smoky Mountain Section wrenchheads are invited to attend our monthly “Tire Kicker” session. Each month on the third Saturday we meet at a convenient location at noon for lunch and to “kick some tires” afterward. This fun, casual and informative gathering of fellow Mercedes-Benz owners and club members is the essence of a car club. We gather to look at each other’s cars, to share information and stories about our cars, and to generally enjoy the company of fellow members and their Mercedes-Benz cars. No reservation needed – just show up – guests welcome.

SMS member and National Technical Director George Murphy will attend to provide technical advice and information on parts, service and car care. So why not spend a pleasant afternoon discussing the latest MB successes and failures with a great group of MB people.

This month we will meet for lunch at noon, Saturday, October 18 at Rickard Ridge BBQ at Cove Lake State Park

The restaurant features BBQ pork, Ribs, Chicken, Black Angus Burgers, and Catfish. Combo platters, sandwiches, appetizers, fresh salads, and desserts are also offered daily. If you get lost, call George Murphy at 865-850-9175 or the restaurant at 423-907-8202.

As an added attraction, we will take a fall leaf peeper color drive after lunch, so bring your spouse and family to lunch and then enjoy the fall colors!

Cove Lake is located in East Tennessee's Campbell County, 30 miles northwest of Knoxville, on U.S. 25W and I-75 between LaFollette and Lake City. From I-75, take Exit #134, travel 1/2 miles on Veterans Memorial Highway and take the first left turn. The park lies within the city limits of Caryville, Tennessee

Cove Lake State Park's 673 acres are situated in a beautiful mountain valley setting on the eastern edge of the Cumberland Mountains. There are scenic nature trails and bike trails leading through the open grasslands and woodlands. In the winter, several hundred Canada Geese make this lakeshore their feeding ground. Nearby is the Devil's Race Track whose steep pinnacle rock affords a panoramic view.

See you there . . .

**Join us for a day of
fun and excitement!**

**Come and see us for our
November Service Clinic!**

Please RSVP to Client Care Center at 865-777-2266 by October 15th

After making a significant investment in your Mercedes-Benz, we are sure that you want to maintain it in a manner that will ensure years of dependable transportation. To that end, we are conducting our 3rd Annual Service Clinic on **Saturday, November 1st, 2008 from 9:00am to 2:00pm**. The clinic is free of charge and we will perform a 47-point inspection, wash your vehicle and provide you with an evaluation of your Mercedes-Benz automobile so we can keep it running great! There will be food, entertainment and giveaways!

The Smoky Mountain Section of the Mercedes-Benz Club of America will be there with several classic Mercedes-Benz cars on display!

Call today to guarantee your placement for this event! Space is limited.

Show off your pride and joy at MB of Knoxville Service Clinic!

If you own a classic Mercedes-Benz automobile (MY 2000 and older) in good condition, and would like to display it at the Service Clinic, please contact George Murphy (865-482-9175) or perrfanalysis@comcast.net. We need about six to ten cars to fill the display hillock in front of MB of Knoxville.
